- Enthusiastic team player with excellent interpersonal skills; open minded and at ease in a multicultural environment; service oriented and process driven
- Fluency in English and Chinese language
- Ideally work experience in Europe

Do you know wool yarns?

Did you know that most wool garments produced worldwide have one of our products inside? Our core business is to develop, produce and distribute yarns, coming from our own factories in Germany, Italy, Poland, Romania, Bulgaria, China and soon Vietnam. Our main markets are Europe, Asia, USA and NZ. Headquartered in Nuremberg, Germany, we are a family owned company with 450 mio EUR sales and over 3.200 employees. We all have a great passion for what we are doing. We want to get to the point where anybody in this industry who manufactures wool garments comes to us first.
